February 16, 2010

SUMMARY OF BILL: Directs the Department of Education (DOE) to study student access to optional schools and programs within the Memphis City School district and the possibility of expanding these programs to all Memphis City schools. DOE shall make a report to the 107th General Assembly by February 1, 2011.

ESTIMATED FISCAL IMPACT:

On February 1, 2010, we issued a fiscal note for this bill indicating a fiscal impact of *Increase State Expenditures – Not Significant*. An error was made in the bill summary stating that the study would be done with goal of possibly implementing Memphis's programs in all local education agencies. This has been corrected. This change has no impact on the original fiscal impact.
